

Art.No.: M-2686

## Zirkulationsbehälter 1.100 Liter aus V2A einwandig, ungebraucht

€10,800.00

plus 19% VAT

2 Stück available immediately

Standort / Lager: 33378 Rheda-Wiedenbrück

## Description

### Allgemein

|                                  |                     |
|----------------------------------|---------------------|
| Volume approx.                   | 1100 l              |
| Material in contact with product | 1.4301(AISI304) V2A |
| Structure                        | Standing            |
| Condition                        | Used                |

### Ausführung

|                  |                       |
|------------------|-----------------------|
| Interior surface | Smoothed              |
| Exterior surface | Smoothed              |
| Floor type       | Torisspherical bottom |
| Head design      | Flat bottom           |
| Betr.-Temperatur | 50                    |

### Aufstellung

|          |                      |
|----------|----------------------|
| Supports | Stainless steel feet |
|----------|----------------------|

### Ein-/Anbauten

|                                  |           |
|----------------------------------|-----------|
| Additional fixtures and fittings | Nameplate |
|----------------------------------|-----------|
